CREATIVE WALL

Made In Spain

Test your imagination

Exclusive decorations that allow you to create finishes never seen before and adapt to all types of surfaces and tastes.

Cover walls, walls and spaces to create dream environments.

Limitless

Creative Wall is a decorative concept that allows you to create unique coverings, such as vertical rock or more minimalist textures. You put the limits.

Totally disruptive decorative concepts.

Recreating the realism of nature

shape the essence of each reproduction from the application to the colors

Organic shapes

With Creative Wall you can decorate your home with the style you most desire, taking the decoration to the highest levels of image and quality.

Decorate with style

You can generate very attractive environments with great personality with the harmony of colors, the visual effects of materials, light and volumetric textures.

optimize techniques to highlight finishes

Originality and simplicity

Limitless textures

With the ESTonetex System you can achieve incredible space decorations, having the necessary preparation and with the appropriate materials and tools for each project.

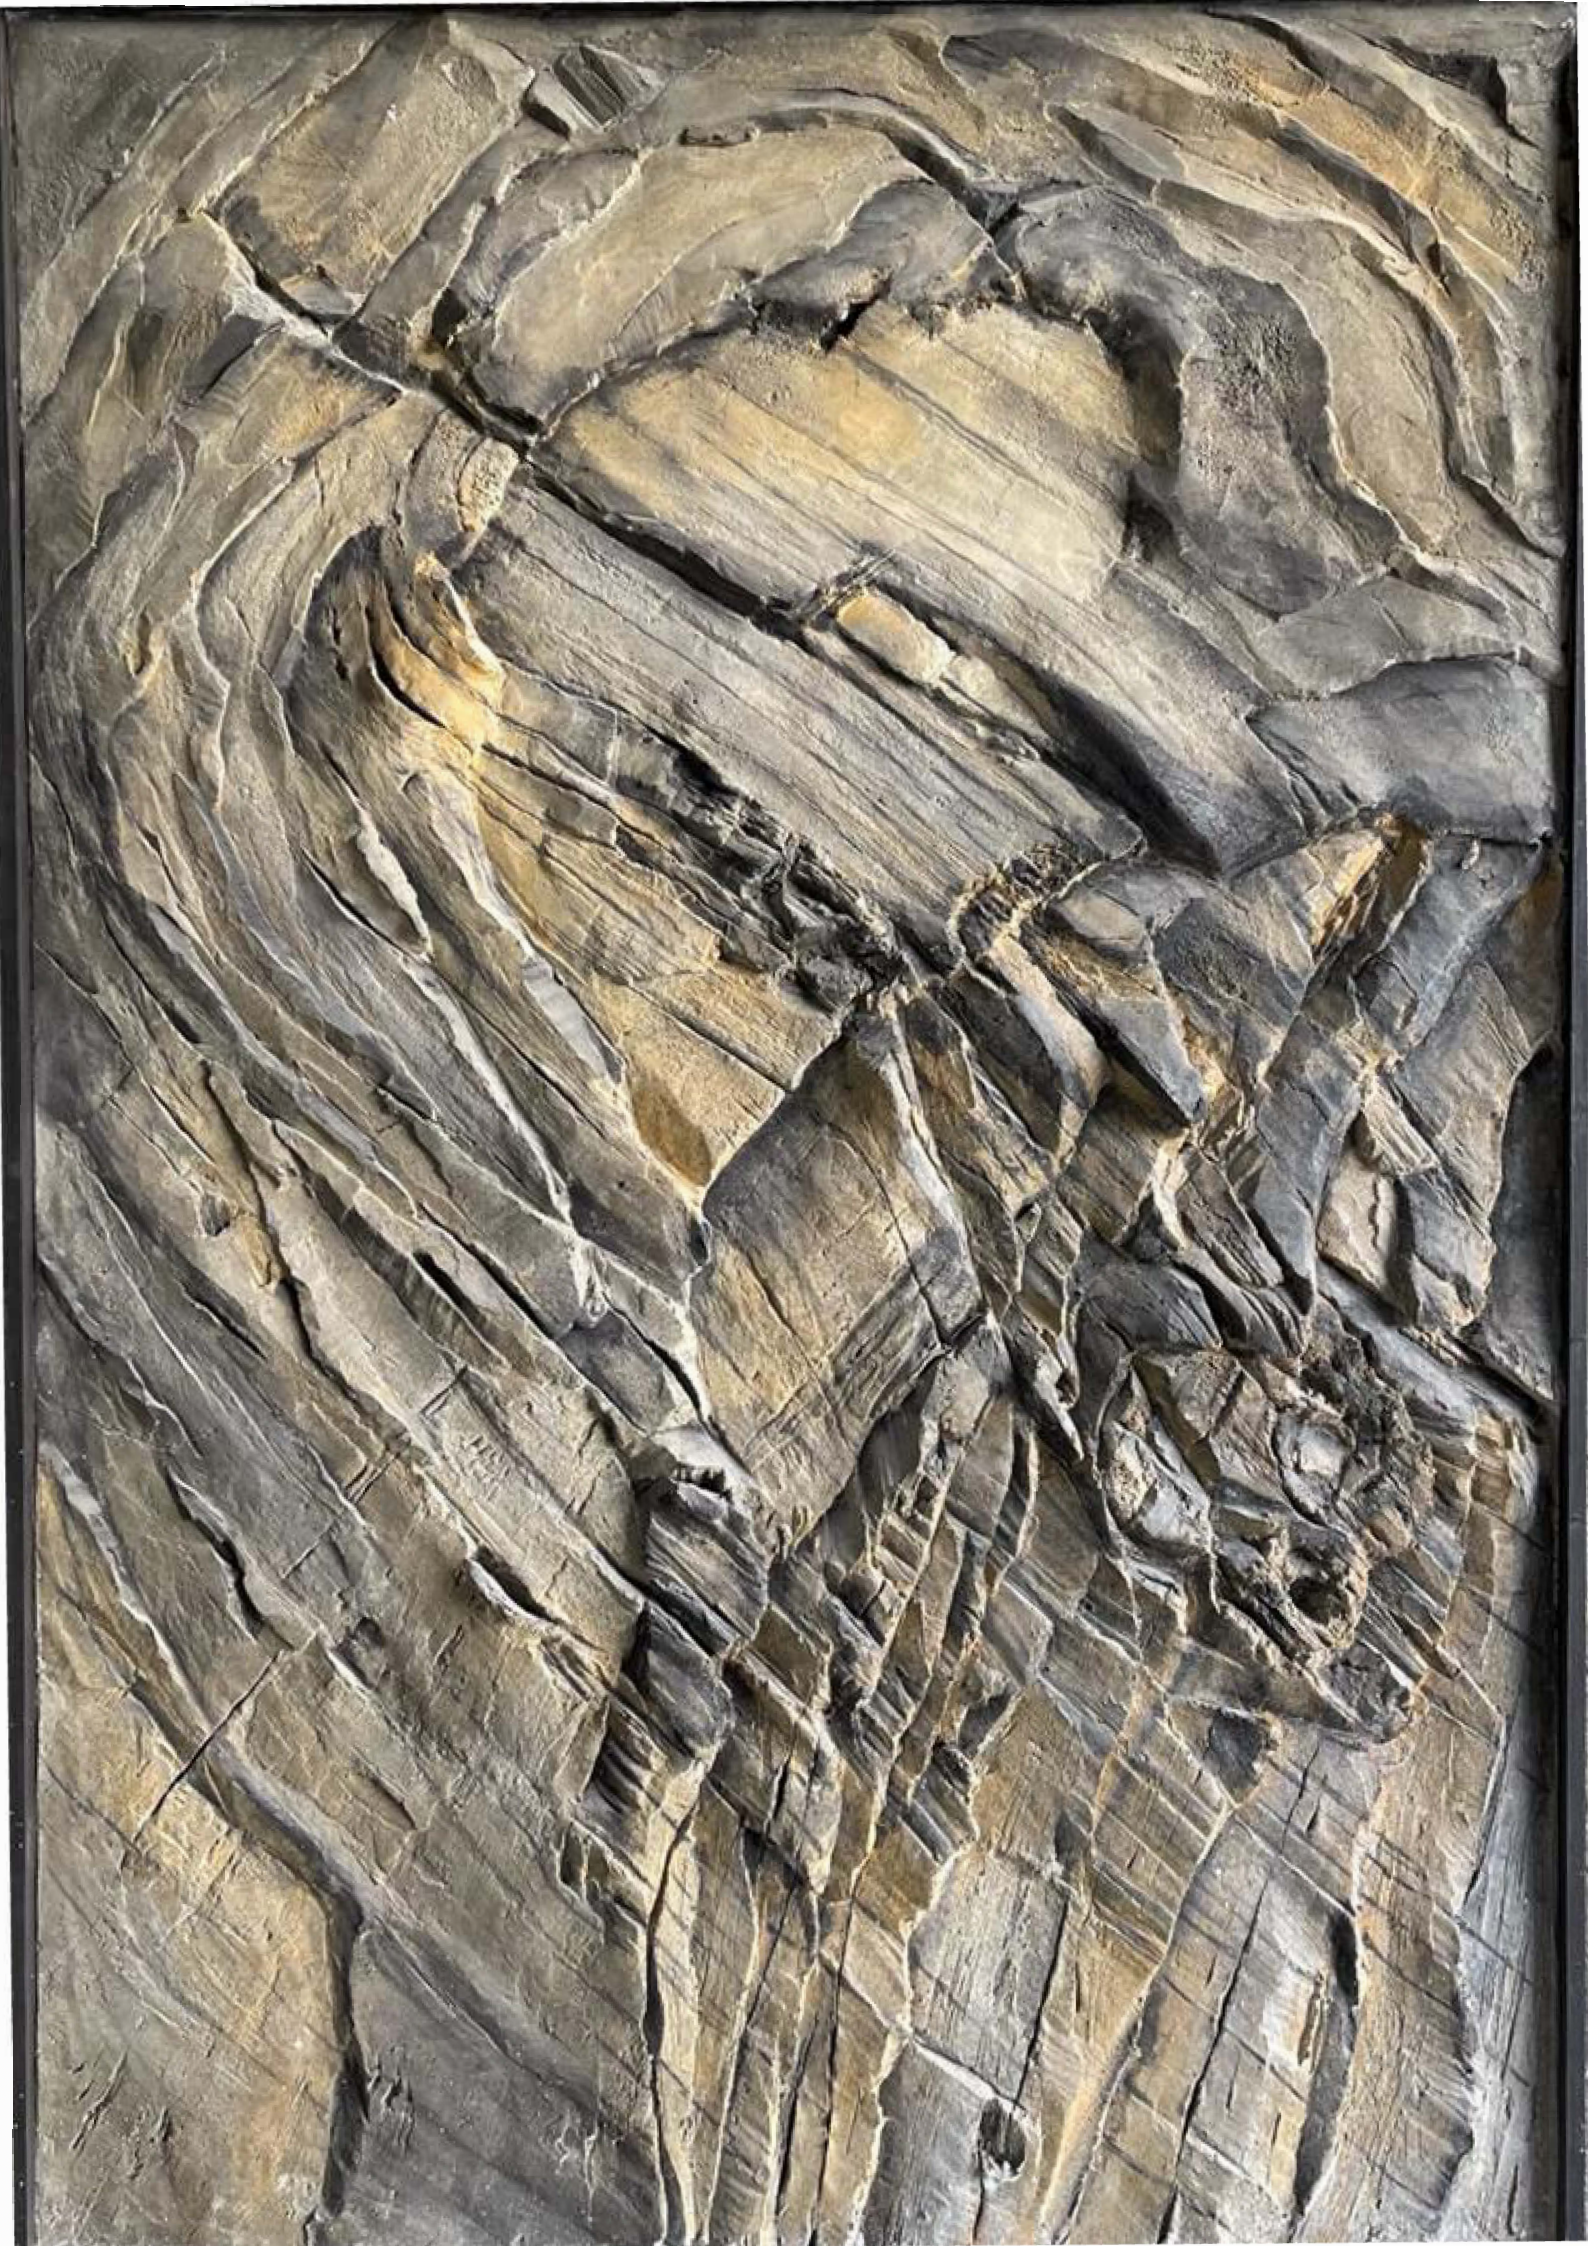

Realism

You will learn how to use ESTonetex materials on any support and ensure that your work meets the demands of your clients.

YOU
CAN'T
STOP
THE WAVES
YOU CAN
LEARN TO
Surf

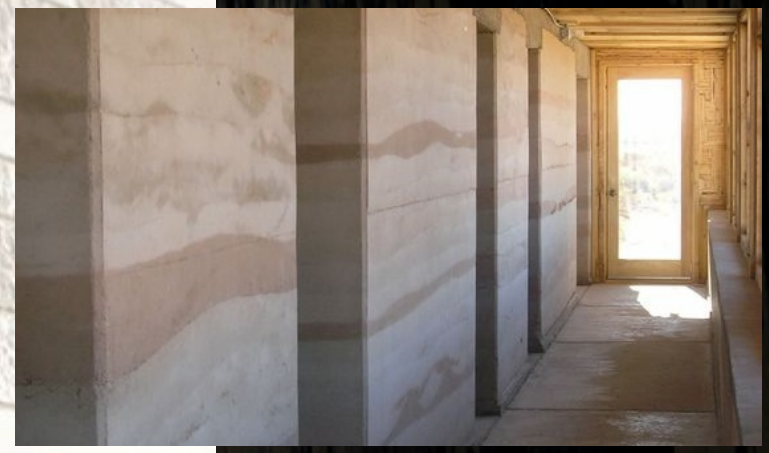

The details obtained with our techniques will take your creations to another level. The mixing formulas will now be at your fingertips to achieve perfection in the finishes.

A new decorative concept with growing demand
